High Court Notices.

Circular Order by the High Court of Judicature at Fort William in Bengal.

MEMO. No. 10.

To all District Judges and Judicial Commissioners,—(dated Calcutta, the 23rd May 1872.)

HIGH COURT.
CIVIL SIDE.
Present:
The Hon'ble Louis S. Jackson, One of the Judges of the Court.

THE annual reports for 1871, which have been received, show a want of uniformity in the preparation of the comparative tables superscribed, respectively, "ORIGINAL JURISDICTION" and "APPELLATE JURISDICTION," provided by Circular Order No. 4, dated 2nd February 1871. To ensure uniformity in their preparation, District Judges and Judicial Commissioners are hereby informed that the instructions given in the Circular Order No. 25 of 12th August 1871 must be understood to apply to the headings "Instituted" and "Disposed of" in the above tables. All transfers, therefore, though properly included in the black ink figures under the general heads just named, should be *excluded from* the red ink figures to be entered under the former, as is done in the quarterly returns.

2. Where the above tables in the reports for the year 1871 have been prepared on any other principle, amended ones should be sent without delay, and where they have been prepared on the above principle, *i.e.*, where the black ink entries have been made to include transfers (as they should have been), supplementary returns should be submitted, showing, in red ink, the cases actually *instituted* or *decided* in the Courts concerned, exclusive of transfers.

By order of the High Court,

F. B. PEACOCK,
Registrar.

C. Bernard,
Offg. Secy. to the Govt. of Bengal.

RESOLUTION.

The 19th June 1872.—The Lieutenant-Governor thinks it necessary to direct the attention of all officers of his Government to the extreme importance of rendering as accurately and as completely as they can be rendered by enquiry the statistics which are at different times called for by Government on matters vitally affecting the people. His Honor has sometimes feared that local officers, who are not accustomed to these things, treat even the orders of Government on such subjects in an off-hand and summary manner. This cannot be tolerated; and any officer who fails to evince a proper interest in such important matters will incur the severe displeasure of Government. Recently a great discrepancy between the prices of salt in * * * and neighbouring districts being observed in certain price current returns, and explanation of the causes called for from the Commissioner, a brief memorandum of the Superintendent of Police was submitted to Government, with a formal endorsement of the Collector, as a sufficient reply. The following letter was in consequence written, and is now published, that local officers may see the importance which the Lieutenant-Governor attaches to such questions:—

To—The Commissioner of * * *

I am directed to acknowledge the receipt of your office memorandum No. 101, dated the 22nd May 1872, and in reply to say that the Lieutenant-Governor is much dissatisfied at the very insufficient explanation therewith submitted, from the Officiating Collector of * * *, in reply to orders No. 1573 of the 10th April, as to the high price of salt in that district as compared with the prevailing prices in surrounding districts.

2. It seems quite unaccountable to His Honor that any Collector should show such want of interest in a subject so important to the people of his district, as simply to send under docket a brief and unsatisfactory memorandum of his Superintendent of Police in answer to an enquiry made by Government.

3. Such conduct impresses the Lieutenant-Governor with the belief that Mr. * * * is under a misconception of his duties, and also of the relative functions of the Magistrate, Collector, and the Superintendent of Police.

4. It is accordingly requested that you will obtain and submit a further explanation, after full enquiry, on the following points:—

(1) From whence salt comes into * * *, and how?

(2) What is the expense of boats with reference to tonnage, &c.?

(3) What is the wholesale price at the place from which it is brought?

(4) What is the wholesale price in the * * * district, and what the retail price?

(5) Whether the question is in any degree affected by the customs' jurisdiction, or, as it is called, chokee limits; and if so, how far those limits extend in * * * *?

5. * * * *

6. The Lieutenant-Governor requests that you will also give your particular attention to the matter, and see that the inquiries of Government on such important matters are more carefully dealt with in future.

C. Bernard,
Offg. Secy. to the Govt. of Bengal.

The following Order issued by the Government of India, in the Financial Department, is republished for general information :—

No. 287.—*Simla, the 14th June 1872.—Leave and Allowances.*—The Governor-General in Council is pleased to declare that the undermentioned rules in the Civil Leave Code are applicable to Commissioned Military Officers in Civil employ :

Rule 2 under section 4 (*d*) in chapter II.
Rules 2 and 3 under section 9 (*b*) in chapter III.
" 2 and 4 " 15 in chapter V.
Rule 3 under section 18 in chapter VI.
Rules 2, 4, and 5 under section 21 in chapter VII.
" 4, 9, and 10 under section 24 in chapter XII.

2. His Excellency in Council is also pleased to direct the republication of the following rules applicable to Commissioned Military Officers in civil employ :

I.—The words "prior to his proceeding on furlough" in section V. of the military furlough regulations of the 10th November 1868, shall, in the case of an officer who takes subsidiary or preparatory leave before furlough, be understood to mean *prior to his being relieved of his duties.*

II.—Days of embarkation and debarkation are parts of furlough, and furlough allowances only are admissible for such days.

III.—Subsidiary leave ceases the day before embarkation, and commences the day after debarkation. It cannot be extended on the ground that the vessel in which an officer leaves India, or returns to it, touches at some other part in India after the first embarkation or before the final debarkation.

IV.—If an officer remains in India after the end of subsidiary leave prefixed to furlough, his furlough is held to have begun in India, and his absence on furlough is reckoned from the date on which he gave up office.

V.—An officer may draw allowances as if he were on privilege leave for any part of his subsidiary leave before furlough, for which, if he were not going on furlough, privilege leave would be admissible to him.

VI.—When an officer applies for leave he should distinctly state under what rule he wants leave, and show that he is entitled to leave under that rule.

VII.—Officers going on leave from the Public Works Department are required to produce no-demand certificates from account officers of that Department.

VIII.—The Government to which an officer is subordinate may exempt him from loss of appointment when he overstays privilege leave by more than a week.

IX.—Leave may be retrospectively commuted, by the authority which granted it, to any other kind of leave which the said authority would have been competent to allow when the original leave was sanctioned.

X.—When privilege leave is, on medical certificate, retrospectively commuted to furlough out of India, so much of the leave passed before embarkation may be treated as subsidiary leave, as the officer would have been entitled to count as subsidiary leave if he had originally obtained furlough and not privilege leave.

XI.—An officer on privilege cannot draw his allowances in England, but his agent may draw them in India in the manner prescribed in rule 2 under section 23 (*a*) of the Civil Leave Code.

XII.—If an officer receive an advance of pay in England to enable him to return to duty in India, the advance must be recovered at the rate of exchange fixed for transactions with the Imperial Government at the time it was made.

3. This notification supersedes the notes in italics below the undermentioned rules in the Covenanted Civil Service Leave Code of 1871 :

Rules 5 and 6 under section I. in chapter I.

Rules 1 to 4 under section XI. in chapter III.
" 1 and 3 under section XII. in chapter IV.
" 5, 7, and 8 under section XIX. }
The subsidiary rule under section XXI. } in chapter VI.
Rules 1 and 3 under section XXVI. in chapter IX.
" " " " XXVIII. in chapter X.
" " in chapter XIII.
